Madison County Foundation for Environmental Education (MCFEE)

Projects to be funded by MCFEE include:

Development of interactive interpretive exhibits for new Madison County Conservation Center

Assistance for new Winterset Outdoor Classroom through seed purchase and wetland construction.

Additional terrariums, lights, plants, filters and aquarium supplies for the Nature Center live animal exhibits.

All donations to MCFEE provide support for environmental education programs, park facility upgrades, and management of natural resource areas.

Past projects financially assisted through donations to MCFEE include:

- Middle River Water Trail Signage
- Acquisition of 400 acre Sawyer Unit at Clanton Creek Wildlife Area
- High quality signs for interpretive trail at Pammel Park
- Construction of Bird Viewing Blind
- Acceptance of major land donations to establish public areas including Fellowship forest and Hanson Prairie

*Madison County Foundation for Environmental Education is a 501.C3 fundraising organization dedicated to supporting the Madison County Conservation Board since 1981.
